Dear Dr. Hashim:

We are pleased to acknowledge and accept with thanks the check from The Council for Tobacco Research-U.S.A. for $1,500 in support of the FASEB Summer Research Conference on "Cytokines and Lipid Mediators in Regulation of Cell Function," to be held August 8-13, 1993, at Copper Mountain, Colorado. The Federation and the societies who comprise it are appreciative of your interest in assisting us to improve scientific communication. The funds will be used by the Chairman, Dr. Waldemar Pruzanski, to cover the travel and lodging expenses for some of his invited speakers.

We extend an invitation to the scientists of your organization to apply to any of the FASEB Summer Research Conferences. In 1993 there will be twenty one conferences held under our auspices - ten in Saxtons River, Vermont, ten at Copper Mountain, Colorado, and one at our third site, Snowmass, Colorado.

Please express to the appropriate officials our thanks and appreciation for your generous support of this conference.

Sincerely,

Jackie Spangler
